## Grants to Teachers Application Form

Becky  
Roberts

1. This grant will address needs for all grade levels. It will enhance the student support and counselor educational needs as well as testing needs.
2. The students that could be affected by this program could be more than 500 students during a school year.
3. First, the devices that will be purchased with these grant monies will enable the counselor or district testing coordinator to test students at each building. The devices will be able to be transported from site to site to test a small group of students at a time for tests such as the "Wida" for English Language Learners and the OSTP-OCCT testing that is required by federal standards. This will be utilized for grades kindergarten thru 12<sup>th</sup> grade. Next, this grant will allow the high school counselor to provide devices for a small group of students to register for the ACT test, college scholarships, FAFSA (federal financial aid) and college admissions. This will assist students in grade 9-12. Finally, these devices can be used to facilitate the new student ICAP (Individual Career Plan) that schools are now tasked to complete. This will assist students in grades 8-12.
4. This program can begin during the summer months but can be used throughout the school year as well.

5. BUDGET:

Items:;			
Chromebook Hardware 14in	236 <sup>00</sup> \$259.00	Quantity: <del>10</del> 5	Subtotal: 1180 <sup>00</sup> \$2590.00
Academic Chrome OS- Management Service License	\$26.00	Quantity: <del>10</del> 5	Subtotal: 130 <sup>00</sup> \$260.00
			Total: \$2850.00
			\$1310 <sup>00</sup>

6. The methods used to measure success will be student surveys and district data. The data collected will measure student growth in ACT participation as well as scores. The more students take the ACT the better chances they have for improvement. Also, graduation rate will be measured to compare rates from previous years as students will have easier access to college admissions, entrance exams and scholarships and financial aid opportunities.

Chromebook Hardware 11.6in Option

Description	Price	Qty	Ext. Price
