Please give grade level and academic area.** This grant addresses the need for seventh grade students to meet the research standard of Oklahoma Academic Standards for English Language Arts. They are also required to summarize and paraphrase, integrate evidence, and cite sources to create reports, projects, papers, texts and presentations for multiple purposes. This set of encyclopedias will give students the opportunity to use a reliable print source in addition to their access to the Internet when performing research.
- 2. Approximately how many pupils will be affected by this project, both directly and indirectly?** This project will affect approximately 88 seventh graders for the 2019-2020 school year. In addition, this project will impact seventh grade students for many years to come.
- 3. Describe your grant including methods, materials and objectives.** Foundation grants are intended to fund a creative teaching plan, so if equipment or materials are requested it should be clearly stated as to why these are an integral part of the plan. This grant is to purchase a set of current *World Book Encyclopedias* for the seventh grade English language arts classroom. The teacher will require that these encyclopedias be used as source material for research and argumentative papers using MLA format.
