Grants to Teachers Application Form

*Please use a typewriter or word processor to complete the application.
Submit in the format listed below.*

Date: March 28, 2020

Grant Title: Can We Have Some Privacy, Please?

School: Reed Elementary

Grade Level(s): PreK through 3rd

Content Area: Counseling

Total Dollar Amount Requested: 2680.60

1. My grant addresses the need for counseling and social/emotional learning in grades PreK through 3rd grades.
2. This has the potential to affect all Reed students, between 350-400 depending on enrollment.
3. Currently our building faces challenges in having enough space to accomplish all of our objectives. Our school counselor and our reading specialist must share a room. The room divider will give both employees the privacy needed to fulfill their job duties. Additionally, this will enable the counselor to ensure that confidentiality is not breached when meeting with students. Furthermore, when outside counselors need to meet students, the area can be used for that purpose as well. There have been numerous days where counseling sessions were limited due to there being other children in the room for reading groups. The room divider would help us serve more students.
4. As soon as materials are received, the room will be modified to a more suitable arrangement to both employees.
5. My request includes 2330.96 for the cost of a foldable room divider, with shipping costs of 349.64. The total cost is 2680.60. It can be ordered online from schoolspecialty.com, with an expected delivery time of 2-4 weeks. A quote printout is attached.
6. I will coordinate with building teachers to monitor improvement in the students I see individually. Meeting records will be kept to document not only the use of my space, but also when it is used by outside therapists. The goal is to maximize our space, and this divider will enable us to do so.
