Grade Level(s): Pre-K through 12

Content Area: All areas of Education

Total Dollar Amount Requested: \$449.85

1. What is the major educational need this grant addresses? Please give grade level and academic area.

*Technology has become an integral part of teaching and learning, especially over the past year. Special Education teachers and providers have continued to provide services and hold required meetings with parents, many times on a virtual platform. Virtual meetings are a vital part of the Special Education process. The information covered is used to provide modifications and accommodations allowing students to succeed in all areas of their education from Pre-K through 12<sup>th</sup> grade.*

2. Approximately how many pupils will be affected by this project, both directly and indirectly?

*There will be in excess of 1000 students affected by this grant. Each Special Education provider that services the Holdenville School District will be using this technology on a daily basis. The technology will be housed at each site and available for use by any staff or student that needs it.*

3. Describe your grant including methods, materials and objectives. Foundation grants are intended to fund a creative teaching plan, so if equipment or materials are requested it should be clearly stated as to why these are an integral part of the plan.

*This grant will provide Digital Tablet/ Pen Sets to be used by teachers, therapists and students.*

**OBJECTIVES:**

*The learner will increase scores on Exact Path, Reading Plus, Renaissance Place, Study Island, ConnectEd and other programs used at all Holdenville Public School sites.*

4. Give a time schedule of implementation.

*The materials provided by this grant will be used on a daily basis with beginning the first day of school.*

5. Detail your budget request. Include specific information about kinds of materials and equipment needed, sources of supply, and costs (including shipping and handling). If possible, list alternatives if full funding is not available.
